## CALIFORNIA EARTHQUAKE PREDICTION EVALUATION COUNCIL (CEPEC)

Department of Conservation/Division of Mines and Geological Services  
655 South Hope Street, Suite 700  
Los Angeles, California 90017-3231

Friday, February 20, 2004  
3:00 P.M.

**1. Call to Order and Introductions**

Chairperson Michael Reichle, Acting State Geologist, California Geological Survey, Department of Conservation, will call the meeting to order and welcome members and the public to the meeting.

**2. Welcoming Remarks**

Dallas Jones, Director, Governor's Office of Emergency Services, will provide opening remarks pertaining to the advisory role of the California Earthquake Prediction Evaluation Council (CEPEC) to the Governor's Office of Emergency Services.

**3. Review of the Agenda**

Chairperson Reichle will review the agenda items to be considered in open and closed sessions and the public's opportunity to provide input on the agenda item to be considered in closed session.

**4. Approval of Minutes**

Minutes of the June 6, 2003, meeting will be considered for approval by the Council.

**5. Keilis-Borok Earthquake Prediction Methodology**

The Council will present an overview of the Keilis-Borok earthquake prediction methodology and its implications for public policy. Immediately following this presentation, a public comment period will be conducted.

**6. Public Comment**

Individuals may comment on the Keilis-Borok Earthquake Prediction Methodology presented by the Council.

**CLOSED SESSION**

**7. Keilis-Borok Earthquake Prediction Evaluation**

This time has been set aside for CEPEC to consider the evaluation of the Keilis-Borok Methodology in closed session as allowed under Government Code § 11126 (f)(9). Based on the evaluation, the Council will provide draft recommendations to the Director of the Office of Emergency Services (OES) on the Keilis-Borok Prediction Methodology and its implications for public policy.

**OPEN SESSION**

**8. Keilis-Borok Earthquake Prediction Evaluation Draft Recommendations – Assignment and Schedule**

Chairperson Michael Reichle will assign responsibility for preparing final Draft Recommendations for the Office of Emergency Services based on the CEPEC discussion. The draft recommendations will be provided electronically (by e-mail and/or FAX) to the Council for review and approval.

Final recommendations will be provided to any interested party.

**9. Adjourn**

**Note:** Agendas are available on the OES website at <http://www.oes.ca.gov>. Click on "Meetings and Workshops" then "Upcoming Meetings." Further information on individual agenda items may be obtained by contacting Jim Goltz at (626) 356-3810. This facility is accessible to persons with disabilities. If you require any disability-related modification or accommodation, please contact Jim Goltz at least five days prior to the meeting.
