

## PUBLIC NOTICE

Applications for Federal Fiscal Year (FFY) 2008 funding through the Byrne Justice Assistance Grant (JAG) program are due to the Bureau of Justice Assistance (BJA) January 31, 2008.

As the State Administering Agency (SAA), the Office of Emergency Services (OES) is applying to BJA for the JAG allocation to the State of California. That amount has yet to be determined by BJA.

As in FFY 2007/08, California shall implement the JAG funds under the Anti-Drug Abuse Enforcement Program and its multi-jurisdictional drug task forces. In the event additional JAG funding is received by OES, other drug enforcement programs previously funded under JAG will be considered for implementation during the FFY 2008/09.

Jurisdictions eligible to apply directly to BJA for the JAG Discretionary funds shall be notified directly by BJA as to the allocation for which they are eligible to apply.
