The California Statewide Interoperability Executive Committee (CALSIIEC) was established in 2003, by the Director of the Governor's Office of Emergency Services (OES), to consolidate California's administration of state and nationally designated Mutual Aid (interoperability) channels, and to fulfill California's responsibilities outlined by the Federal Communications Commission (FCC) in 47 C.F.R. §90.525.

The CALSIIEC Central Valley Planning Area is the OES Mutual Aid Region 5, the counties: Fresno, Kern, Kings, Madera, Mariposa, Merced, and Tulare.

Meeting Purpose: To continue the establishment of the Central Valley CALSIIEC Planning Area (OES Mutual Aid Region V) to work in collaboration with the statewide CALSIIEC (<http://www.calsiec.org/>) and the Public Safety Radio Strategic Planning Committee (PSRSPC)(<http://psrspc.ca.gov/>). *The meeting's agenda will be posted on the CALSIIEC website.*

This meeting is open to the public. Representatives of Federal, State, Tribal, County, City, and Special District Public Safety agencies, and non-governmental organizations with FCC Public Safety Radio Services eligibility are encouraged to attend and participate. OES welcomes RSVPs from attendees for planning purposes even if you do not intend to purchase lunch.
