To: Donna Garske
Executive Director
FAMILY VIOLENCE PREVENTION PROGRAM (FV)

Subject: Fiscal Year 2008/2009 Request for Application

The Governor's Office of Emergency Services (OES) is pleased to announce the allocation of \$142,000 for Fiscal Year (FY) 2008/09 to the Family Violence Prevention Program (FV). Only the existing FV grantee is eligible to apply. The allocation is subject to the availability of funds and final executive approval.

Enclosed are the instructions and forms for submitting the application for funding of the FV program. Funding is contingent upon project performance and compliance with grant requirements.

PLEASE NOTE: FY 2008/09 program funding may be significantly reduced from current funding levels. This is a result of many factors - the proposed federal budget reductions and a ten percent (10%) state Budget reduction in local assistance funds for all state agencies including OES. **OES staff has modified the attached funding chart to account for local assistance reductions only.** OES is requesting that all grantees utilize the modified funding chart to prepare the applications for the 2008/09 grant period.

OES has and will continue to make every effort to reduce the potential impact any federal reductions have upon victim services. However, execution of this grant award is contingent upon the OES approval of all required grant documents, passage of the State Budget Act, availability of Federal funds, and past project performance. If the federal award to the State is less than anticipated, projects may see a reduction in funding and new budget pages will need to be submitted at a later date. Should funds be identified to offset these decreases, you grant shall be augmented proportionately.

Please note that the accurate, timely, and complete submission of the information requested in this RFA will expedite the timely processing of your application. Below are some of the common areas that have the tendency to delay or prevent expeditious processing of grant applications due to errors.

- Original signatures by designated individuals in the correct section of the form;
- Line-item detail is required for each budget item, along with the justification for how the item ties to the objectives and activities of the State Coalition Technical Training and Assistance Program grant;
- Mathematical calculations/formulas should accurately reflect the line-item expenses.

Information for the FV RFA:

- **Interactive RFA (“[Back](#)” button):** The Request for Proposal (RFA) now has a back button at the top of each page. This will make it easier to navigate through the RFA. The Table of Contents also contains [blue](#) section titles bookmarking the sections for easier navigation to the different sections.
- **Certification of Assurance of Compliance:** The generic cert now has five new friends (Paul Coverdell, ADA, Cal-MMET, VAWA, and VOCA and FVSPA) to accommodate the needs of different funding sources. Because the FV program is funded by two of these sources, the project will need to fill in the State certification and the FVPSA certification with the application.
- **2009 Project Directors Meeting:** The Victim Services Branch (VSB), Domestic Violence (DV) Section anticipates having the annual Project Directors Meeting in the spring of 2009. Your project will need to include funding for this meeting in the Training/conferences portion of the Operations Section of the project’s budget.

It is necessary to complete the enclosed materials and submit them to the OES by 5:00 p.m. on **April 7, 2008**. The application must either be date stamped as having been received at OES on or before that date or be postmarked on or before that date. Address the application to:

D. ELIGIBILITY

The only agency eligible to receive funding is the currently funded Family Violence Prevention (FV) project, Marin Abused Women's Services.

E. FUNDS

1. Source and Use of Funds

- a. Health and Human Services Family Violence Prevention and Services Act (FVPSA-HHS) Title III of the Child Abuse Amendments of 1984, now called the Family Violence Prevention and Services Act, was first implemented in FY 1986. It was authorized and amended most recently by Public Law 104-235, the Child Abuse Prevention and Treatment Act (CAPTA) of 1996. The purpose of this legislation is to assist states and American Indian Tribes and tribal organizations in establishing, maintaining, and expanding programs and projects to prevent incidents of family violence and to provide immediate shelter and related assistance for victims of family violence and their dependants. There is a twenty percent (20%) match associated with the allocation of HHS funds. The FVPSA-HHS funds have the following guidelines:
 - i. Reimbursement is allowed for direct services and administrative costs.
 - ii. A cash match must include a minimum of twenty percent (20%) from private sources and may not include federal funds.
 - iii. Funded projects are required to develop procedures to assure confidentiality of records pertaining to persons receiving assistance.
 - iv. There is a reporting requirement for victims of family violence and their dependents who are homeless or institutionalized as a result of the violence and abuse experienced.
 - v. The address or location of any shelter facility funded under this program must not be public, except with written authorization of the person or persons responsible for the operation of such shelter.
- b. In 1985, California Penal Code Section 13823.4 established that FV (Attachment A). Funds must be used as follows: Sixty percent (60%) for development and implementation of model programs protocols and materials (\$30,000); and forty percent (40%) for dissemination of model program protocols and materials that can be replicated by domestic violence entities (\$20,000). There is a ten percent (10%) match associated with the allocation of these funds.

2. Funding Cycle, Duration, and Projected Amounts

The grant period begins July 1, 2008, and ends June 30, 2009; therefore, the agency must budget for a 12-month period. The CPEDV may apply for a maximum of \$142,000. The required 10% state general funds match, and 20% Health and Human Services FVPSA funds match equal \$4,500 and \$24,250 respectively, which provides a total projected sum of \$170,750 (see chart below), for the FV grant.

FV Project	State General Fund	State General Fund Match	FVPSA Funds	FVPSA Fund Match	Total Project Cost
Total	\$45,000	\$4,500	\$97,000	\$24,250	\$170,750

F. PROGRAM INFORMATION

The purpose of this RFA is to fund the FV Project, whose primary goals are to:

1. Develop, implement, and/or disseminate model program protocols and materials for replication by domestic violence entities.
2. Maintain and expand programs/projects to prevent family violence, and assist family violence victims and their dependents.
3. Collect and disseminate statewide model protocols for intervention systems.
4. Provide training to agencies in dealing with family violence prevention.
5. Function as a clearinghouse and resource center for family violence prevention information, including the program website developed for this purpose.

PART II – INSTRUCTIONS

The instructions in this section correspond to each of the application components and to the forms required to complete the application.

The applicant must use the forms provided in “Forms” ([FORMS](#)) and plain 8½” x 11” white paper for the application. The blank Project and Budget Narrative pages on the website have been pre-formatted to OES standards. If you create your own computer-generated Project and Budget pages, the **format must duplicate the OES pre-formatted pages.**

Copies of the application must be assembled separately and individually fastened in the upper left corner. **Do not bind application.**

A. PROJECT NARRATIVE

The project narrative is the main body of information describing the problem to be addressed, the plan to address the problem through appropriate and achievable objectives and activities, and the ability of the applicant to implement the plan.

1. Problem Statement

This section is not required for this RFA.

2. Plan and Implementation

a. Objectives and Activities (double-space requirement does not apply)

The four mandatory objectives are provided below. Activities must be included that:

- Describe the steps necessary to achieve the Objective,
- Indicate staff responsible for the Activity, and
- Describe the types of source documentation that will be kept on file in order to accurately report the project’s progress in achieving the objectives/activities.

List the Objectives on the left side of the page and the Activities on the right side. The example below shows the correct format and components; the objective listed and staff titles are for illustration purposes only.

EXAMPLE:

Objective 1 - Statewide Technical Assistance:

Activities: (example)

1. Provide statewide technical assistance to 150 members/service

- 1.1 Project Director will hire and train Project Coordinator by 08/1/08.

- providers/clients from 07/01/08 to 06/30/09.
- 1.2 Project Coordinator will develop written policies and procedures for agency staff by 08/21/08.
 - 1.3 Project Coordinator will train 3 Technical Assistance Specialists, including lead/senior staff, to provide technical assistance to members/service providers/clients by 9/15/08.
 - 1.4 Lead/Senior Technical Assistance Specialist will develop PSA to advertise and promote types of technical assistance availability by 10/2/08.

The mandated objectives are:

Objective 1

MAWS' TC-TAT will conduct 4 prevention trainings throughout the state in response to the priorities for training established through the Needs Assessment Survey findings. A training schedule will be provided to OES prior to each training. In addition, a summary of the training and evaluations completed by training participants including participant questions or discussion topics will be provided to OES at the conclusion of each training.

Objective 2

MAWS' TC-TAT will develop and implement 3 new prevention resource products in response to the action plan to complete the priorities established in accordance with Objective 2 of the 2007-08 grant. Development of these new prevention resource products will be consistent with the priorities identified by the needs assessment, and conducted in collaboration with key stakeholders and OES acceptance.

Objective 3

MAWS' TC-TAT will continue to utilize the TC-TAT website as a cost-effective method for technical assistance products and material dissemination. Furthermore, as applicable, MAWS' TC-TAT will incorporate into the website each of the new prevention resource products developed in Objective 2 (above) as a means of implementation.

Objective 4

From the needs assessment scheduled to be completed in last year's grant period, done in the course of achieving the deliverables of TC-TAT's partnership with OES and the critical analysis found in the *Catalyst* publication, continue to create a model five-year plan for future prevention, training, and product strategies that reduce the level of domestic violence in California. This objective must be completed by June 30, 2009.

b. Board of Director's List

The Appendix must contain a current Board of Director's roster listing the name, professional affiliation, address, phone number and email address for each current board member.

B. PROJECT BUDGET

The purpose of the project budget is to demonstrate how the applicant will implement the proposed plan with the funds available through this program. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire grant period. In the budget, include **only** those items covered by grant funds, including match funds when applicable. The applicant may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, the applicant should not include in the project budget matching funds (if applicable) in excess of the required match. Budgets are subject to OES modifications and approval.

OES requires the applicant to develop a **line item** budget which will enable the project to meet the intent and requirements of the program, ensure the successful and cost effective implementation of the project. Failure of the applicant to include required items in the budget does not eliminate responsibility to comply with those requirements during the implementation of the project. The applicant should refer to the *Recipient Handbook* at www.oes.ca.gov. Select “*Recipient Handbooks*” for additional information concerning OES budget policy or to determine if specific proposed expenses are allowable. Contact the person listed on page 1-subsection B of this RFA should you have additional budget questions.

1. Budget Narrative

The applicant is required to submit a narrative with the project budget. The narrative must be typed and placed in the application in front of the budget pages. In the narrative describe:

- How the applicant’s proposed budget supports the objectives and activities.
- How funds are allocated to minimize administrative costs and support direct services.
- The duties of project-funded staff, including qualifications or education level necessary for the job assignment. This does not take the place of the brief justification required in the line item budget.
- How project-funded staff duties and time commitments support the proposed objectives and activities.
- Proposed staff commitment/percentage of time to other efforts, in addition to this project.
- The necessity for subcontracts and unusual expenditures.
- Mid-year salary range adjustments.

2. Specific Budget Categories

There is an Excel Workbook in “*Forms*” ([FORMS](#)) with spreadsheets for each of the following three budget categories:

- Personal Services – Employee Salaries/Benefits;
- Operating Expenses; and
- Equipment.

The left column of each budget category on the Spreadsheet requires line item detail including the calculation and justification for the expense. Enter the amount of each line item and match in the correct column of the Budget Category form. The spreadsheet will add each line item, and round off the nearest whole dollar. You may add extra rows if necessary. The

spreadsheets total at the end of each budget category as well as across the three spreadsheets at the bottom of the last page (Equipment). The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 10G) on the Grant Award Face Sheet.

The bottom of the Equipment Category form contains a format for identifying the project total and fund distribution. This section must be completed and submitted even if there are no line items identified in the equipment category.

a. Personal Services – Salaries/Employee Benefits (OES A303a):

1) Salaries

Personal services include services performed by project staff directly employed by the applicant and must be identified by position and percentage of salaries. These may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must be budgeted as salaries. If the applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the applicant must be shown as participating staff (see *Recipient Handbook*, Section 4500) the Operational Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, B.2.b. - Operating Expenses - paragraph two).

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses (OES A303b):

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (e.g., to further the program objectives as defined in the grant award), and be encumbered during the grant period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees,

and other consumable items. Furniture and office equipment with an acquisition cost of less than \$5,000 per unit (including tax, installation, and freight) and/or with a useful life of less than one year fall within this category. Otherwise these fall under equipment expenses.

Salaries for staff not directly employed by the applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *Recipient Handbook* Sections 3710 and 4500) under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the recipient and made available for review during an OES site visit, monitoring visit, or audit. In the case of grants being passed through a recipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses category.

c. Equipment (OES A303c):

Equipment is defined as nonexpendable tangible personal property having ***a useful life of more than one year*** and an acquisition cost of \$5,000 or more per unit (including tax, installation, and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

C. APPLICATION APPENDIX

The Application Appendix provides OES with additional information from the applicant to support components of the application. The following must be included:

- Operational Agreements: *OAs must contain original signatures, titles, and agency names for both parties and include dates effective for the proposed grant period.* This document must demonstrate a formal system of networking and coordination with other agencies and the applicant. A sample OA is provided in “Forms” ([FORMS](#)).
- Project Summary
- Noncompetitive Bid Request Checklist/Justification (if applicable)
- Out of State Travel Request, OES 700 (if applicable)
- Emergency Fund Procedures (if applicable)
- Other Funding Sources (if applicable)
- Prior, Current, and Proposed OES Funding (if applicable)
- Computer and Automated Systems Purchase Justification Guidelines (if applicable)
- Board of Directors List

FAMILY VIOLENCE PREVENTION PROGRAM REQUEST FOR APPLICATION

PART III – ADDITIONAL INFORMATION

The applicant is strongly encouraged to review the following sections in preparing the application.

- A. Finalizing the Grant Award Agreement
- B. Administrative Requirements
- C. Budget Policy
- D. Glossary of Terms

A. FINALIZING THE GRANT AWARD AGREEMENT

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget. OES does not have the authority to disburse funds until the budget is passed and the Grant Award Agreement is fully executed. Expenditures incurred prior to authorization are made at the project's own risk and may be disallowed. When the executed grant is received, and the State Budget is finalized, authorized expenditure reports may be submitted for reimbursement of expenditures incurred subsequent to the effective date of the grant award agreement.

If, during the term of the grant award, the state and/or federal funds appropriated for the purposes of the grant award are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, OES may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent state or federal funds are available for payment of such costs.

OES Grant Award Agreements are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Award Agreement.

2. Processing Grant Awards

a. Grant Award Conditions

OES may add one or more grant award conditions to the Grant Award Agreement prior to or after funding. If conditions are added, they will be discussed with the applicant and a copy of the conditions will be sent to the grant recipient when the conditions are made part of the Grant Award Agreement. Grant award conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by OES.

b. Grant Award Agreements

A copy of the executed Grant Award Agreement and pertinent attachments will be sent to the Project Director. The recipient is not authorized to incur costs against the grant until a copy of the fully executed Grant Award Agreement is received. When the

executed grant is received and the State Budget is finalized, the Report of Expenditures and Request for Funds (OES 201) may be submitted for reimbursement.

c. Grant Award Amounts

When the amount of funds available is limited, OES may reduce the amount of the grant award from the amount requested by the applicant. In addition, OES reserves the right to negotiate budgetary changes with the applicant prior to executing the Grant Award Agreement. If either of these actions is required, OES will notify the applicant prior to executing the Grant Award Agreement.

B. ADMINISTRATIVE REQUIREMENTS

The Recipient Handbook (RH)

The *Recipient Handbook* is accessible on the OES Internet website at www.oes.ca.gov by selecting “*Recipient Handbooks*.” The *Recipient Handbook* contains administrative information and requirements necessary to implement the project. Recipients must administer their grants in accordance with the *Recipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the grant award.

The information below may be cross referenced with the *Recipient Handbook* (RH) by referencing the handbook section number.

1. Internet Access (RH 11500)

Funded projects are required to maintain Internet access with an established e-mail address. Grant funds may be used for this purpose unless specifically prohibited by the terms of the program.

2. Progress Reports and Data Collection (RH 10100)

Funded projects are required to participate in data collection and to submit progress reports required by the program. Projects are required to keep accurate records to document the information reported in the progress reports. The records must be kept by the project for a period of three years. During site/monitoring visits, OES will review these records for accuracy and compare them with the reported data submitted on the progress reports.

3. Monthly/Quarterly Report of Expenditures and Request for Funds (OES 201) (RH 6300)

Community-based organizations shall submit a monthly Report of Expenditures and Request for Funds (OES 201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form OES 201 will result in the withholding of funds and may result in the recommendation to OES’ Executive Director for termination of the grant award.

4. Technical Assistance/Site Visits (RH 10300)

Funding projects are assigned an OES program specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Award Agreement. Program specialists are available to assist the project in the successful implementation of

the project and in meeting the administrative requirements of the Grant Award Agreement. New projects should expect a site visit from the assigned program specialist within the first six months of the grant period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

5. Monitoring Requirements (RH 10400)

A monitoring visit is an onsite assessment by OES staff to determine if the project is in compliance with the terms of the program, the Grant Award Agreement, the Program Guidelines, the RFA/RFP, and the *Recipient Handbook*. Projects will be monitored on a random or as-needed basis.

6. Bonding Requirements (RH 2160)

Private community-based organizations (CBO) and American Indian organizations are required to obtain and send to OES a notarized copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of OES-funded projects within 60 days of the signed Grant Award Agreement. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Award Agreement. The beneficiary named on the bond or an endorsement must include the "State of California, Governor's Office of Emergency Services" and include the Grant Award number for identification purposes.

The time period covered by the bond must include the effective date and time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total grant award and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a recipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the program or grant award conditions.

7. Audit Requirements (RH 8100)

Recipients must arrange for an independent audit of the grant award and may budget a portion of the audit costs. Instructions for budgeting funds for audit costs are outlined in the *RH* Section 2234.

8. Copyrights, Rights in Data, and Patents (RH 5300)

OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Award Agreement. These ownership rights are detailed in the *Recipient Handbook*.

9. Source Documentation (RH 10111)

Recipients are required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements as pertaining to the objectives outlined in the Grant Award Agreement. Recipients are to retain source documentation for progress reports on a quarterly basis regardless of submission requirements. Requirements and definitions for program specific source documentation are delineated in the terms of the

program. Recipients will be required to have written job descriptions on file for positions funded by OES detailing specific grant-related activities to achieve project objectives.

C. **BUDGET POLICY**

This document summarizes information on OES Budget Policy contained in the *Recipient Handbook*. Additional information may be obtained by accessing the *Recipient Handbook* at www.oes.ca.gov by selecting “*Recipient Handbooks*.”

1. **Supplanting Prohibited (RH 1313)**

Grant funds must be used to supplement existing funds for program activities and **not replace** funds appropriated for the same purpose. A written certification must be provided to OES indicating the grant funds will not be used to supplant existing funds. Supplanting will be the subject of application review, post-award monitoring, and audit. The rules on supplanting are found in Section 1313 of the *Recipient Handbook*.

2. **Project Income (RH 6610)**

Project income such as client fees and fees for services provided by the project (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money, must be used to offset or augment the grant unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds unless otherwise specified in the RFA instructions.

3. **Contracts and Procurement (RH 3400)**

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by OES program staff is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000, which requires prior OES approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the project budget, a noncompetitive bid request will be required. OES will provide assistance in submitting a noncompetitive bid request if OES determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Recipient Handbook*).

4. **Match Policies (RH 6500)**

The RFA Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match specified in the budget will become part of the grant award. (Specific instructions for calculating the match are provided in Sections 6550 – 6550.2 of the *Recipient Handbook*.)

5. Travel Policies

The following is OES' current travel policy:

a. Selection of Travel Policy (RH 2236)

The applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government

Units of government may use their own written travel policy or the state policy.

2) Community-Based Organizations (CBO)

A community-based organization may use the state travel policy or the applicant's written policy up to the maximum rates allowed by the state travel policy.

b. State Travel Policy (RH 2236.2)

Use the following state travel policy for budgeting travel expenses:

1) Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for OES approval.

2) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 48.5 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

3) Meals and Incidentals

a) Breakfast \$6.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$10.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$18.00

Dinner may be claimed if the trip begins at or before 4:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

d) Incidentals \$6.00

Incidentals may be claimed for trips of 24 hours or more.

e) Total Per Diem

Total is \$40.00 for a 24-hour period.

4) Lodging

The maximum allowed lodging rate is \$84.00, plus applicable taxes (except as noted below). Lodging receipts are required for reimbursement.

5) Special Lodging Rates

The maximum allowed lodging rate in Los Angeles and San Diego counties is \$110, plus applicable taxes. The maximum for Alameda, San Francisco, San Mateo, and Santa Clara counties is \$140, plus applicable taxes.

6) Other

Taxi, airport shuttle, etc. which exceed \$3.50 must be supported by receipt. Parking in excess of \$10.00 must be supported by receipt.

6. Participating Staff

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the recipient on the implementation of project. The agreement between the recipient and the participating agency concerning participating staff must be reflected in the OA. Grant related costs associated with participating staff must be itemized in the operating expenses category of the grant budgets.

7. Consultant Services (RH 3710)

Consultant services are provided on a contractual basis by individuals or organizations not direct employees of the applicant (see *Personal Services – Salaries*). Independent contractors must not be used in lieu of employees. Independent contractors are defined as individuals or organizations meeting some or all of the following criteria:

- produce a specific product or service;
- work independently without direct supervision from the applicant;
- work on specific projects;
- provide services for a limited number of hours or period of time; and/or,
- have no agency management or oversight responsibilities directed toward the financial success or direction of the agency.

a. Rates

The maximum rate for independent contractors is \$250 per hour (excluding travel and subsistence costs). A request for compensation for over \$250 per hour requires **prior approval** and additional justification.

1) Independent Contractors Employed by State and Local Government

Compensation for independent contractors will be allowed when the unit of government can not provide services without this cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (RH 3710.2)

Projects, which routinely utilize “expert witnesses” as independent contractors to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. The maximum allowable rate for witness fees is \$250 per hour up to \$2,000 per day. The total amount budgeted for expert witness fees must not exceed ten percent (10%) of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- qualifications, training, and experience of the expert(s). Include a statement regarding recognition by the court of the individual as an expert;
- specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT), Medical Doctor (MD)];
- rate of pay per hour, including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if expert is paid according to services (e.g., mileage, waiting time, court testimony);
- proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation);
- justification for why this cost cannot be paid with county funds (attach the justification to OES A303b).

8. Facility Rental (RH 2232)

Up to \$21 per square foot annually (\$1.75 per square foot per month) is allowed for facility rental. If the rental cost for office space exceeds this rate, it must be consistent with the prevailing rate in the local area. This documentation must be on file and available for audit and should not be submitted with the application.

a. Rental Space for Training and Counseling Rooms

Rental space for training and individual and/or group counseling rooms may also be charged to the grant providing the charge is based on actual costs and not reimbursed by other source.

9. Rented or Leased Equipment (RH 2233)

An explanation and cost analysis is required when equipment rented or leased. This analysis must demonstrate it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by OES prior to the execution of a rental or lease agreement.

10. Indirect Costs/Administrative Overhead (RH 2220)

Indirect costs are those not readily itemized or assignable to a particular project, but necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs. Flat rates not exceeding ten percent (10%) of personnel salaries (excluding benefits and overtime) or five percent (5%) of total direct project costs (excluding equipment) may be budgeted by the applicant for indirect costs if allowable by the funding source.

11. Audits (RH 8150)

OES projects expending \$25,000 or more of OES grant awards are required to complete an audit. The project may budget for the cost of obtaining a financial audit. Allowable audit costs are as follows:

- if the total amount of the grant is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- if the total amount of the grant is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total grant for financial audit costs.

12. Equipment (RH 2300)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit (including tax, installation and freight).

A line item is required for each different type of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment may be budgeted if it is essential to the implementation of the project and to be used solely for project activities. Grant funds may not be used to reimburse the project for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness. Prior approval by OES is required.

b. Computers (RH 2340)

1) Community-Based Organization (RH 2242.1)

Community-based organizations may budget up to \$25,000 in computer equipment, software, and related costs. OES will evaluate the proposed

purchase on the basis of grant-related need. Prior approval by OES is required. The Recipient will be sent instructions for preparing the justification.

2) Units of Government (RH 2342.2)

Units of government may budget for computer equipment, software, and related costs. OES will evaluate the proposed purchase on the basis of grant-related need. OES must give approval prior to purchase. If federal grant funds totaling in excess of \$100,000 are used for automated data processing purchases, prior federal approval is also required. The Recipient will be sent instructions for preparing the justification.

3) Computer Purchase Justification (RH 2341)

Approval for purchases of computers and automated equipment is contingent on the applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. The recipient will be sent instructions for preparing the justification.

c. Automobiles (RH 2331)

Automobiles are not allowable items unless permitted by the terms of the program. If an automobile is included in the budget, substantial justification demonstrating the grant-related need will be required before finalization of the Grant Award Agreement. The justification must describe the need for the automobile, including the size of service area, the need to provide direct service away from the office, and the reason why the agency will not allow personal automobiles usage during work hours. A cost analysis for automobile purchase as compared to other options including lease and personal automobile use and mileage, must be done and kept on file for review by OES's program staff during a site visit, monitoring visit, and/or audit.

13. Prohibited Expense Items (RH 2240)

a. Lobbying (RH 2242)

Refer to RH 2242.1 for an extensive list of prohibited activities.

b. Fundraising (RH 2243)

OES grant funds cannot be used for organized fundraising including financial campaigns, endowment drives, solicitation of gifts and bequests, or similar expenses incurred solely to raise capital or obtain contributions.

c. Real Property and Improvements (RH 2244)

Real property including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless authorized in the RFA instructions.

d. Interest (RH 2245)

The cost of interest payments is not an allowable expenditure unless the cost is a result of a lease/purchase agreement.

e. Food and Beverages (RH 2246)

The cost of food and/or beverages at grant-sponsored conferences, meetings, or office functions is not an allowable expenditure.

f. Weapons and Ammunition (RH 2247)

The cost of weapons and/or ammunition of any type are not an allowable expenditures unless they are part of a governmental negotiated benefit package or are specifically authorized in the RFA instructions.

g. Membership Dues (RH 2248)

The cost of membership dues for the licensing or credentialing of professional personnel is not an allowable expenditure unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFA instructions.

h. Professional License (RH 2248)

The cost of a professional license is not an allowable expenditure unless specifically authorized in the RFA instructions.

i. Annual Professional Dues or Fees (RH 2248)

The cost of professional dues or fees are not allowable expenditures unless it is part of a governmental negotiated benefit package or are specifically authorized in the RFA instructions.

j. Charges, Fees and Penalties (RH 2245)

Finance charges, late payment fees, penalties, and returned check charges are not allowable expenditures.

k. Depreciation (RH 2249)

Equipment costs may not include additional costs calculated for depreciation.
