D. ELIGIBILITY

Funding eligibility is limited to existing AIWDVAP projects funded by the Governor's Office of Emergency Services, Criminal Justice Programs Division

E. PROGRAM INFORMATION

Violence Against Women Act – Services*Training*Officers*Prosecution (VAWA S*T*O*P) Program

The purpose of the VAWA S*T*O*P Program is to assist State and local governments to develop and strengthen effective criminal justice strategies to combat violent crimes against women, and to develop and strengthen victim services in cases involving violent crimes against women, including sexual assault, domestic violence, and stalking.

VAWA funds may be used to provide services to incarcerated victims of domestic violence, dating violence, sexual assault. However, the funds **may not** be used to serve any person incarcerated for committing a crime of domestic violence, dating violence, sexual assault or stalking. The services provided may only address the domestic violence, dating violence, sexual assault, or stalking victimization experienced by the client. Please consult with your program specialist for more specific information before including this request in your application.

Program Purpose

The intent of the AIWDVAP program is to provide culturally sensitive services to American Indian women victims of domestic violence. The AIWDVAP will fund three Indian specific, domestic violence service programs. Service standards include the following;

- a. Provide information and referral services to victims of domestic violence.
- b. Provide crisis intervention services to victims of domestic violence.
- c. Provide criminal justice advocacy and court accompaniment.
- d. Provide social service advocacy.
- e. Provide Temporary Restraining Orders and Protection Orders.
- f. Provide individual and group counseling services.
- g. Provide emergency shelter services.

Victim of Crime Act (VOCA) Program

This FY 2007/08 RFA contains both VOCA 2005 and VAWA 2007 funding. This is the last year for the additional VOCA supplemental funding. For FY 2008/09 the funding will be reduced back to only the VAWA allocated amount.

F. FUNDS

1. Grant Award Period, Award Amount, and Match

- Grant Award Period - This grant will begin October 1, 2007 and will end September 30, 2008.
- Grant Award Amount - Projects are referred to the funding chart below.

Approximately \$531,423 is available for distribution through this RFA. Grant funds available through this RFA emanate from the Violence Against Women Act (VAWA) Services*

Training* Officers* Prosecutors (S*T*O*P) Program and the Victims of Crime Act (VOCA) Program.

<i>Project</i>	<i>VAWA</i>	<i>VOCA 2005</i>	<i>VOCA Match</i>	<i>Total Grant Amount</i>
Kene Me Wu Family Healing Center	\$116,625	\$66,058	\$16,515	\$199,198
Indian Health Council	\$100,000	\$66,057	\$3,477	\$169,534
Round Valley Indian Tribes	\$116,625	\$66,058	\$3,477	\$186,160
TOTAL FUNDING	\$333,250	\$198,173	\$23,469	\$554,892

2. **The Twenty-five percent (25%) VAWA S*T*O*P match requirement is waived for victim services projects; therefore, there is no match required for the VAWA S*T*O*P funds through this RFA.** However, three years ago the Office on Violence Against Women announced a new interpretation of the VAWA S*T*O*P match requirements. In the past, non-profit, victim services organizations were exempt from the 25% match requirement. Under the new interpretation, these organizations are no longer exempt from the match requirement. As the state grantee and administrator of VAWA S*T*O*P funds, the OES has been meeting the match requirement on behalf of the victim services organizations. **OES intends to continue to meet the match requirement for victim services organizations to the extent possible. Should this no longer be possible, applicable victim services projects will be notified and budgets will need to be modified to incorporate the 25% cash or in-kind match requirement.**

3. **Native American Tribes/Organizations located on Reservations.** The match for new or existing VOCA subrecipients that are Native American tribes/organizations located on reservations is 5% (cash or in-kind) of the total VOCA project. For the purpose of this grant, a Native American tribe/organization is defined as any tribe, band, nation, or other organized group or community, which is recognized as eligible for the special programs and services provided by the US to Native Americans because of their status as Native Americans. A reservation is defined as a tract of land set aside for of, and occupancy by, Native Americans.

4. **VAWA REQUIREMENT**

The grantee agrees to submit one copy of all reports and proposed publications resulting from this agreement twenty (20) days prior to public release for OVW review and approval. Any publications (written, visual, or sound) whether published at the grantee's or government's expense, shall contain the following statements: ***"This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice."*** (NOTE: This excludes press releases, newsletters, and issue analyses.)

B. PROJECT BUDGET

The purpose of the project budget is to demonstrate how the applicant will implement the proposed plan with the funds available through this program. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire grant period. **The budget must reflect your proposed expenditures and the exact formulas used to arrive at those numbers.** In the budget, include **only** those items covered by grant funds, including match funds when applicable. The applicant may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, the applicant should not include in the project budget matching funds (if applicable) in excess of the required match. Budgets are subject to OES modifications and approval.

OES requires the applicant to develop a **line item** budget which will enable the project to meet the intent and requirements of the program, ensure the successful and cost effective implementation of the project. Failure of the applicant to include required items in the budget does not eliminate responsibility to comply with those requirements during the implementation of the project. The applicant should refer to the *Recipient Handbook* at www.oes.ca.gov. Select “*Recipient Handbooks*” for additional information concerning OES budget policy or to determine if specific proposed expenses are allowable. Contact the person listed on page 1-subsection B of this RFA should you have additional budget questions.

1. Budget Narrative

The applicant is required to submit a narrative with the project budget. The narrative must be typed and placed in the application in front of the budget pages. In the narrative describe:

- How the applicant’s proposed budget supports the objectives and activities.
- How funds are allocated to minimize administrative costs and support direct services.
- The duties of project-funded staff, including qualifications or education level necessary for the job assignment. This does not take the place of the brief justification required in the line item budget.
- How project-funded staff duties and time commitments support the proposed objectives and activities.
- Proposed staff commitment/percentage of time to other efforts, in addition to this project.
- The necessity for subcontracts and unusual expenditures.
- Mid-year salary range adjustments.

2. Specific Budget Categories

There is an attached Excel Workbook with spreadsheets for each of the following three budget categories:

- Personal Services – Employee Salaries/Benefits;
- Operating Expenses; and
- Equipment.

The left column of each budget category on the Spreadsheet requires the **exact** line item detail including the **exact calculation/formula used and justification for the expense**. Enter the amount of each line item and match in the correct column of the Budget Category form. The spreadsheet will add each addition and round off the nearest whole dollar. You may add extra rows if necessary, the spreadsheets total at the end of each budget category and total the three spreadsheets at the bottom of the last page (Equipment). The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 10G) on the Grant Award Face Sheet.

a. Personal Services – Salaries/Employee Benefits (OES A303a):

1) Salaries

Personal services include services performed by project staff directly employed by the applicant and must be identified by position and percentage of salaries. These may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must be budgeted as salaries. If the applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the applicant must be shown as participating staff (see *Recipient Handbook*, Section 4500) the Operational Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, B.2.b. - Operating Expenses - paragraph two.)

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses (OES A303b):

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items

directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (e.g., to further the program objectives as defined in the grant award), and be encumbered during the grant period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with an acquisition cost of less than \$5,000 per unit (including tax, installation, and freight) and/or with a useful life of less than one year fall within this category. Otherwise these fall under equipment expenses.

Salaries for staff not directly employed by the applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *Recipient Handbook* Sections 3710 and 4500) under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the recipient and made available for review during an OES site visit, monitoring visit, or audit. In the case of grants being passed through a recipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses category.

c. Equipment (OES A303c):

Equipment is defined as nonexpendable tangible personal property having a ***useful life of more than one year*** and an acquisition cost of \$5,000 or more per unit (including tax, installation, and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

C. APPLICATION APPENDIX

The Application Appendix provides OES with additional information from the applicant to support components of the application. The following must be included:

- Operational Agreements: *OAs must contain original signatures, titles, and agency names for both parties and include dates effective for the proposed grant period.* This document must demonstrate a formal system of networking and coordination with other agencies and the applicant. A sample OA is provided in *Forms (FORMS)*.
- Project Summary, required
- Noncompetitive Bid Request, if applicable
- Out of State Travel Request OES 700, if applicable
- Emergency Fund Procedures, if applicable
- Project Service Area Information, required
- Computer and Automated Systems Purchase Justification Guidelines, if applicable

PART III – ADDITIONAL INFORMATION

The applicant is strongly encouraged to review the following sections in preparing the application.

- A. Finalizing the Grant Award Agreement
- B. Administrative Requirements
- C. Budget Policy
- D. Glossary of Terms

A. FINALIZING THE GRANT AWARD AGREEMENT

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget. OES does not have the authority to disburse funds until the budget is passed and the Grant Award Agreement is fully executed. Expenditures incurred prior to authorization are made at the project's own risk and may be disallowed. When the executed grant is received, and the State Budget is finalized, authorized expenditure reports may be submitted for reimbursement of expenditures incurred subsequent to the effective date of the grant award agreement.

If, during the term of the grant award, the state and/or federal funds appropriated for the purposes of the grant award are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, OES may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent state or federal funds are available for payment of such costs.

OES Grant Award Agreements are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Award Agreement.

2. Grant Award Conditions

OES may add one or more grant award conditions to the Grant Award Agreement prior to or after funding. If conditions are added, they will be discussed with the applicant and a copy of the conditions will be sent to the grant recipient when the conditions are made part of the Grant Award Agreement. Grant award conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by OES.

3. Grant Award Agreements

A copy of the executed Grant Award Agreement and pertinent attachments will be sent to the Project Director. The recipient is not authorized to incur costs against the grant until a copy of the fully executed Grant Award Agreement is received. When the executed grant is received and the State Budget is finalized, the Report of Expenditures and Request for Funds (OES 201) may be submitted for reimbursement.

4. **Grant Award Amounts**

When the amount of funds available is limited, OES may reduce the amount of the grant award from the amount requested by the applicant. In addition, OES reserves the right to negotiate budgetary changes with the applicant prior to executing the Grant Award Agreement. If either of these actions is required, OES will notify the applicant prior to executing the Grant Award Agreement.

B. **ADMINISTRATIVE REQUIREMENTS**

1. **The Recipient Handbook (RH)**

The *Recipient Handbook* is accessible on the OES Internet website at www.oes.ca.gov by selecting “*Recipient Handbooks*.” The *Recipient Handbook* contains administrative information and requirements necessary to implement the project. Recipients must administer their grants in accordance with the *Recipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the grant award.

The information below may be cross referenced with the *Recipient Handbook* (RH) by referencing the handbook section number.

2. **Internet Access (RH 11500)**

Funded projects are required to maintain Internet access with an established e-mail address. Grant funds may be used for this purpose unless specifically prohibited by the terms of the program.

3. **Progress Reports and Data Collection (RH 10100)**

Funded projects are required to participate in data collection and to submit progress reports required by the program. Projects are required to keep accurate records to document the information reported in the progress reports. The records must be kept by the project for a period of three years. During site/monitoring visits, OES will review these records for accuracy and compare them with the reported data submitted on the progress reports.

4. **Monthly/Quarterly Report of Expenditures and Request for Funds (OES 201) (RH 6300)**

Community-based organizations shall submit a monthly Report of Expenditures and Request for Funds (OES 201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form OES 201 will result in the withholding of funds and may result in the recommendation to OES’ Executive Director for termination of the grant award.

5. **Technical Assistance/Site Visits (RH 10300)**

Funding projects are assigned an OES program specialist to oversee the progress of the project in achieving its goals, objectives, and compliance with the Grant Award Agreement. Program specialists are available to assist the project in the successful implementation of the project, and in meeting the administrative requirements of the Grant Award Agreement. New projects should expect a site visit from the assigned program specialist within the first

six months of the grant period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

6. Monitoring Requirements (RH 10400)

A monitoring visit is an onsite assessment by OES staff to determine if the project is in compliance with the terms of the program, the Grant Award Agreement, the Program Guidelines, the RFA/RFP, and the *Recipient Handbook*. Projects will be monitored on a random or as-needed basis.

7. Bonding Requirements (RH 2160)

Private community-based organizations (CBO) and American Indian organizations are required to obtain and send to OES a notarized copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of OES-funded projects within 60 days of the signed Grant Award Agreement. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Award Agreement. The beneficiary named on the bond or an endorsement must include the "State of California, Governor's Office of Emergency Services" and include the Grant Award number for identification purposes.

The time period covered by the bond must include the effective date and time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total grant award and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a recipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the program or grant award conditions.

8. Audit Requirements (RH 8100)

Recipients must arrange for an independent audit of the grant award and may budget a portion of the audit costs. Instructions for budgeting funds for audit costs are outlined in the *RH* Section 2234.

9. Copyrights, Rights in Data, and Patents (RH 5300)

OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Award Agreement. These ownership rights are detailed in the *Recipient Handbook*.

10. Source Documentation (RH 10111)

Recipients are required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements as pertaining to the objectives outlined in the Grant Award Agreement. Recipients are to retain source documentation for progress reports on a quarterly basis regardless of submission requirements. Requirements and definitions for program specific source documentation are delineated in the terms of the program. Recipients will be required to have written job descriptions on file for positions funded by OES detailing specific grant-related activities to achieve project objectives.

C. **BUDGET POLICY**

This document summarizes information on OES Budget Policy contained in the *Recipient Handbook*. Additional information may be obtained by accessing the *Recipient Handbook* at www.oes.ca.gov by selecting “*Recipient Handbooks*.”

1. **Supplanting Prohibited (RH 1313)**

Grant funds must be used to supplement existing funds for program activities and **not replace** funds appropriated for the same purpose. A written certification must be provided to OES indicating the grant funds will not be used to supplant existing funds. Supplanting will be the subject of application review, post-award monitoring, and audit. The rules on supplanting are found in Section 1313 of the *Recipient Handbook*.

2. **Project Income (RH 6610)**

Project income such as client fees and fees for services provided by the project (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money, must be used to offset or augment the grant unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds unless otherwise specified in the RFA instructions.

3. **Contract and Procurement (RH 3400)**

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by OES program staff is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000, which requires prior OES approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the project budget, a noncompetitive bid request will be required. OES will provide assistance in submitting a noncompetitive bid request if OES determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Recipient Handbook*).

4. **Match Policies (RH 6500)**

The RFA Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match specified in the budget will become part of the grant award. (Specific instructions for calculating the match are provided in Sections 6550 – 6550.2 of the *Recipient Handbook*.)

5. **Travel Policies**

The following is OES' current travel policy:

a. **Selection of Travel Policy (RH 2236)**

The applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government

Units of government may use their own written travel policy or the state policy.

2) Community-Based Organizations (CBO)

A community-based organization may use the state travel policy or the applicant's written policy up to the maximum rates allowed by the state travel policy.

b. **State Travel Policy (RH 2236.2)**

Use the following state travel policy for budgeting travel expenses:

1) Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for OES approval.

2) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of .485 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

3) Meals and Incidentals

a) Breakfast \$6.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$10.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$18.00

Dinner may be claimed if the trip begins at or before 4:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

d) Incidentals \$6.00

Incidentals may be claimed for trips of 24 hours or more.

e) Total Per Diem

Total is \$40.00 for a 24-hour period.

4) Lodging

The maximum allowed lodging rate is \$84.00, plus applicable taxes (except as noted below). Lodging receipts are required for reimbursement.

5) Special Lodging Rates

The maximum allowed lodging rate in Los Angeles and San Diego counties is \$110, plus applicable taxes. The maximum for Alameda, San Francisco, San Mateo, and Santa Clara counties is \$140, plus applicable taxes.

6) Other

Taxi, airport shuttle, etc. which exceed \$3.50 must be supported by receipt. Parking in excess of \$10.00 must be supported by receipt.

6. Participating Staff

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the recipient on the implementation of project. The agreement between the recipient and the participating agency concerning participating staff must be reflected in the OA. Grant related costs associated with participating staff must be itemized in the operating expenses category of the grant budgets.

7. Consultant Services (RH 3710)

Consultant services are provided on a contractual basis by individuals or organizations not direct employees of the applicant (see *Personal Services – Salaries*). Independent contractors must not be used in lieu of employees. Independent contractors are defined as individuals or organizations meeting some or all of the following criteria:

- produce a specific product or service;
- work independently without direct supervision from the applicant;
- work on specific projects;
- provide services for a limited number of hours or period of time; and/or,
- have no agency management or oversight responsibilities directed toward the financial success or direction of the agency.

a. Rates

The maximum rate for independent contractors is \$250 per hour (excluding travel and subsistence costs). A request for compensation for over \$250 per hour requires **prior approval** and additional justification.

1) Independent Contractors Employed by State and Local Government

Compensation for independent contractors will be allowed when the unit of government can not provide services without this cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (RH 3710.2)

Projects, which routinely utilize “expert witnesses” as independent contractors to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. The maximum allowable rate for witness fees is \$250 per hour up to \$2,000 per day. The total amount budgeted for expert witness fees must not exceed ten percent (10%) of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- qualifications, training, and experience of the expert(s). Include a statement regarding recognition by the court of the individual as an expert;
- specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT), Medical Doctor (MD)];
- rate of pay per hour, including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if expert is paid according to services (e.g., mileage, waiting time, court testimony);
- proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation);
- justification for why this cost cannot be paid with county funds (attach the justification to OES A303b).

8. Facility Rental (RH 2232)

Up to \$21 per square foot annually (\$1.75 per square foot per month) is allowed for facility rental. If the rental cost for office space exceeds this rate, it must be consistent with the prevailing rate in the local area. This documentation must be on file and available for audit and should not be submitted with the application.

a. Rental Space for Training and Counseling Rooms

Rental space for training and individual and/or group counseling rooms may also be charged to the grant providing the charge is based on actual costs and not reimbursed by other source.

9. Rented or Leased Equipment (RH 2233)

An explanation and cost analysis is required when equipment rented or leased. This analysis must demonstrate it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by OES prior to the execution of a rental or lease agreement.

10. Indirect Costs/Administrative Overhead (RH 2220)

Indirect costs are those not readily itemized or assignable to a particular project, but necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs. Flat rates not exceeding ten percent (10%) of personnel salaries (excluding benefits and overtime) or five percent (5%) of total direct project costs (excluding equipment) may be budgeted by the applicant for indirect costs if allowable by the funding source.

11. Audits (RH 8150)

OES projects expending \$25,000 or more of OES grant awards are required to complete and audit. The project may budget for the cost of obtaining a financial audit. Allowable audit costs are as follows:

- if the total amount of the grant is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- if the total amount of the grant is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total grant for financial audit costs.

12. Equipment (RH 2300)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit (including tax, installation and freight).

A line item is required for each different type of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment may be budgeted if it is essential to the implementation of the project and to be used solely for project activities. Grant funds may not be used to reimburse the project for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness. Prior approval by OES is required.

Equipment purchased in whole or in part with state or federal grant funds is the property of the state or the federal government. However, under certain conditions, equipment may be transferred to the project at the end of the grant period. Satisfactory compliance with the Grant Award Agreement will be reviewed in considering the transfer of equipment.

b. Computers (RH 2340)

1) Community-Based Organization (RH 2242.1)

Community-based organization may budget up to \$25,000 in computer equipment, software, and related costs. OES will evaluate the proposed purchase on the basis of grant-related need. Prior approval by OES is required. The Recipient will be sent instructions for preparing the justification.

2) Units of Government (RH 2342.2)

Units of government may budget for computer equipment, software, and related costs. OES will evaluate the proposed purchase on the basis of grant-related need. OES must give approval prior to purchase. If federal grant funds totaling in excess of \$100,000 are used for automated data processing purchases, prior federal approval is also required. The Recipient will be sent instructions for preparing the justification.

3) Computer Purchase Justification (RH 2341)

Approval for purchases of computers and automated equipment is contingent on the applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. The Recipient will be sent instructions for preparing the justification.

c. Automobiles (RH 2331)

Automobiles are not allowable items unless permitted by the terms of the program. If an automobile is included in the budget, substantial justification demonstrating the grant-related need will be required before finalization of the Grant Award Agreement. The justification must describe the need for the automobile, including the size of service area, the need to provide direct service away from the office, and the reason why the agency will not allow personal automobile usage during work hours. A cost analysis for automobile purchase as compared to other options including lease and personal automobile use and mileage, must be done and kept on file for review by OES's program staff during a site visit, monitoring visit, and/or audit.

13. Prohibited Expense Items (RH 2240)

a. Lobbying (RH 2242)

Refer to RH 2242.1 for an extensive list of prohibited activities.

b. Fundraising (RH 2243)

OES grant funds cannot be used for organized fundraising including financial campaigns, endowment drives, solicitation of gifts and bequests, or similar expenses incurred solely to raise capital or obtain contributions.

c. Real Property and Improvements (RH 2244)

Real property including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless authorized in the RFA instructions.

d. Interest (RH 2245)

The cost of interest payments is not an allowable expenditure unless the cost is a result of a lease/purchase agreement.

e. Food and Beverages (RH 2246)

The cost of food and/or beverages at grant-sponsored conferences, meetings, or office functions is not an allowable expenditure.

f. Weapons and Ammunition (RH 2247)

h. Professional License (RH 2248)

The cost of a professional license is not an allowable expenditure unless specifically authorized in the RFA instructions.

i. Annual Professional Dues or Fees (RH 2248)
