RE: S.A.F.E. ACT VEHICLE INFORMATION

Dear Chief:

The Governor's Office of Emergency Services is distributing the current publication of the **S.A.F.E. Act Vehicle Information** for local agency buyers and sellers of fire fighting vehicles and equipment. Buyer/Seller agencies are encouraged to deal direct with the listed contact person for items offered or wanted. This office will assist agencies whenever possible. In most cases, we will not have any direct information regarding items to be sold.

Should you have any questions, comments, or concerns, please feel free to contact Assistant Chief Paul Beckstrom at (916) 845-8718. Thank you for your continued cooperation and support of the California Fire and Rescue Mutual Aid System.

Sincerely,

A handwritten signature in black ink that reads "Kim Zagaris".
